- Scott Sueme
- Sarah Delaney

Vancouver Mural Festival is the city's largest free annual celebration of public art. We've invested in making a place for artists in Vancouver, community building, and creating a culture within the city that encompasses a proud sense of ownership and identity. Through public art—murals in multiplicity—and other collaborations, we provide a platform for local talents to contribute in changing how art is perceived in Vancouver. Furthermore, to spark conversations around protecting and enhancing our cultural spaces and venues.
